

Student E-mail Policy

Every Aquinas College student is assigned an Internet E-mail account. It is, therefore, the policy of the College when disseminating official college business information electronically to use College-assigned accounts.

Further, it is the responsibility of students to check their College-assigned E-mail accounts regularly. If a student uses another account as his/her primary account, then mail sent to the College-assigned address should be forwarded to that primary account. Initializing this procedure can be accomplished by following instructions provided on the Student Essentials page.

While faculty and staff are encouraged to direct all electronic messages to a student's college-assigned E-mail account, this policy does not preclude the sending of information to multiple individual student accounts.
