Quail Ridge Golf Club

Ada, MI

THE LEGACY

Philanthropist Peter M. Wege is responsible for both the Grand Rapids and Aquinas College that we know and love today.

Peter believed strongly in environmental stewardship, athletics, education, and community service. He found a willing partner in Aquinas College, and Peter took an active role, first as a Trustee for 13 years, and then as an active Trustee Emeritus. His principles of Economicology still guide the work of Aquinas College today.

His commitment to a just and sustainable world has a living legacy in Aquinas College and its students.

THE OUTING

The 18th Annual Peter M. Wege Golf Outing heralds an exciting change for this storied event. In 2026, the outing is now fully partnered with Aquinas Athletics, with proceeds being split between support for the Scholarship & Success Fund and the AQ Saints Club.

This reimagined event will now be part of Aquinas College's Homecoming weekend, combining the excellence of the Peter M. Wege Outing with the fun and camaraderie of the AQ Athletics and Alumni outings. It will also provide an even higher level of visibility for our sponsorship partners.
