

The Student Wellbeing Advisory Council was created to bring awareness to issues related to student wellness and to enhance the services provided by Counseling, Health & Wellness Services.

The primary initiatives of SWAC are to:

- Promote awareness of CHWS and its capabilities
- Provide a student voice in the operations of CHWS
- Continually assess the student body's opinion of CHWS and its endeavors
- Evaluate and recommend changes to CHWS programs and services based on the best interests of Aquinas College students
- Identify effective methods of marketing CHWS to the student body and the Aquinas College community

Once you complete this application please submit it via email to Zach Sietsema (SWAC Advisor) zss001@aquinas.edu. You can also drop this application off at the front desk for CHWS. If you have any questions please email Zach. Thank you for your interest in SWAC!
